Subject: Access Code for Digilocker accounts of Class X and XII students to access their Digital Academic Documents (Mark sheet cum Certificates & Migration Certificates) pertaining to Board results-2025 exam.

Dear Sir/Madam,

You are aware that from past several years, CBSE in technical collaboration with NeGD has been opening Digilocker accounts for Class X and XII students every year in advance to provide digital academic documents through CBSE's digital academic repository, "Parinam Manjusha," immediately after the declaration of result.

In order to further strengthen security & privacy of students' data, CBSE introduced six digit Access Code based activation for students' Digilocker accounts. After activation of Digilocker accounts, students can access their Digital Academic Documents under the 'Issued Documents' section.

The result of Board Exam-2025 is under preparation and it will be declared soon. The student wise Access Code file is being made available to Schools in their Digilocker accounts from where schools can download and disseminate Access Code to individual students.

Schools can follow the below mentioned steps to download the Access Code file for their students.

Step A: School will go to the link-: <https://cbse.digitallocker.gov.in/public/auth/login> and login using the LOC credentials and select 'Login as School' from the dropdown as shown below:

After downloading the file, schools can share the Access Code individually with the respective students in a secure manner. Also, a User manual to guide the students for accessing the Digilocker is available on the same page. Schools must download the user manual and share with students.

The same has also been extended to the students of CBSE affiliated schools abroad. The students of these schools can access their Digilocker academic documents via Digilocker in following ways.

- By visiting the portal <https://results.digilocker.gov.in/>
- By creating a ticket on <https://nad-support.digilocker.gov.in/> with the category "CBSE International Student 2025".
